

ELCA Region 6 Archives
Closed Congregational Records: Michigan

These are the closed congregational records from the lower Michigan peninsula available at the ELCA Region 6 Archives. The Archives receives the collection from the congregation and therefore the records available for each congregation may vary. Ideally, the Archives has the parish registers, meeting minutes, and historical documentation of the congregation; however, this may not be the case for every congregation.

Record Group 9/C: Michigan Congregational Records
